- **Basic tools:** A multi-tool or Swiss Army knife, duct tape, zip ties, a small flashlight with extra batteries.
- **Water and non-perishable food:** Bottled water (at least one gallon per person per day for several days), energy bars, dried fruit, nuts.

Technology plays a vital role in modern **disaster preparedness for travel**. Several apps and resources can enhance your safety and provide crucial information during emergencies.

- **Weather apps:** AccuWeather, The Weather Channel, and similar apps provide real-time weather updates and severe weather alerts.
- **Travel apps:** Apps like Google Maps, Citymapper, and Rome2rio offer real-time transportation information, alternative routes, and directions.
- **Emergency communication apps:** Apps like Zello or even WhatsApp can be used for group communication in areas with limited cell service.
